

# Creighton Connection for September 2018

**Welcome to the 2018-2019**

**school year at Creighton Elementary!**

We are excited about this year and the academic growth of all our children. We promise you that we will provide great instruction every day, in every classroom, for every child. This is the only way to get to great achievement within a school. Our school vision is *Building Minds, Building Leaders....Knowing Who Can? Cubs Can!* We believe all children have the capability to learn at their fullest potential and to become leaders in their education. Each year we have a theme that supports our vision and what we believe about kids. This year's theme is *Believe in the Magic Within You!* We are here to serve our students and our families. Together let's have a magical year full of promise!

**OPEN HOUSE**

This is a great time for our students to showcase their school and their classrooms. Parents will gain more information about the expectations in their child's grade level and how to help. Parents will also be able to sign-up for a teacher conference. Several community vendors will be on hand to share information with families. Our Book Fair will be opened during this time, too.
